1. Poll

Tell us between March 1st 2015 and May 3rd 2015 on www.bokeh-masters.com which lens shows the most beautiful bokeh in your opinion. Entries will take part in a lottery with attractive prizes. More about the prizes can be found on the website.

2. Live Contest

Bring your favorite bokeh lens on June 13th or 14th 2015 to the Photo+Adventure in Duisburg and take part in a live contest with your lens. Novoflex supplies numerous adapters, allowing to adapt most historic lenses to modern digital cameras.

3. Evaluation

All images produced during the contest are up for anonymous public voting after the show. You will find out which lens is really the one with the nicest bokeh, and you have yet another chance to win a prize.
